

On the Subject of Souvenir

Something to remember your explosion by.

Souvenir asks questions about the state of other modules that you solved prior. Answer all the questions correctly.

If a module reset itself upon a strike, the question about it is assumed to refer only to successful runs or stages.

If the answers are audio clips, tap an answer once to hear the clip and tap it again to submit it as your answer.

Questions that may come up:

...?

What was the displayed number?

❖

What were the flashes?

↙ ↘

Which arrows were shown?

---/---/---

What were the display words?

0

What was the starting number?

1000 Words

What were the words shown?

100 Levels of Defusal

What were the displayed letters?

1, 2, 3 Game (The)

What was the opponent's avatar and name?

1D Chess

What were your and Rustmate's moves?

21

What was the displayed number?

3D Maze

What were the markings?

What was the cardinal direction?

3D Tap Code

What was the received word?

3D Tunnels

What were the goal symbols?

3 LEDs

What was the initial state of the LEDs?

3N+1

What number was initially displayed?

4D Tunnels

What were the goal symbols?

64

What was the displayed number?

7

What were the LED colors for each stage?

What was each channel's initial value?

9-Ball

What were the numbers on each ball?

Abyss

What were the characters displayed?

Accumulation

What were the background and border colors on each stage?

Adventure Game

Which correct items did you use?

Which enemy were you fighting?

Affine Cycle

Which direction were the dials pointing?

What was written on each dial?

Alcoholic Rampage

Which mercenaries were displayed?

A Letter

What was the initially displayed letter?

Alfa-Bravo

What final letter was pressed?

What letters were to the left and right of the final one?

What was the last digit on the small display?

[Question]

[Answer 1] [Answer 3]
[Answer 2] [Answer 4]

Algebra

What were the first two equations?

Algorithmia

What were the starting and goal positions?

What color was the bulb?

Which numbers were present in the seed?

Alphabetical Ruling

What were the letters and numbers displayed in each stage?

Alphabet Numbers

What were the numbers on the buttons in each stage?

Alphabet Tiles

What were the letters shown during each cycle?

What was the missing letter?

Alpha-Bits

What characters were displayed on each screen?

A Message

What was the received message?

Know Your Way

Which way was the arrow pointing?

Which LED was green?

Kooky Keypad

What colors were the LEDs?

Kudosudoku

Which squares were initially pre-filled?

Kugelblitz

Which particles were present during each stage?

What were the particles' values during each stage?

Kuro

What was Kuro's mood?

Labyrinth (The)

Where were the portals, and which layers were they on?

Ladder Lottery

Which light was on?

Ladders

Which colors were present on the second ladder?

What color was missing on the third ladder?

Langton's Anteater

What was the initial state of the grid?

Lasers

What number was on each hatch?

LED Encryption

What were the correct button presses?

LED Grid

How many LEDs were unlit?

LED Math

What were the LED colors?

LEDs

What was the initial color of the changed LED?

LEGOs

What were the dimensions of each color piece?

Letter Math

What were the letters on the display?

Light Bulbs

What were the colors of the bulbs?

Lime Arrows

What was the starting coordinate?

Linq

What were the functions?

Lion's Share

Which year was displayed?

Which lions were present but removed?

Listening

What sound played?

Literal Maze

Which letter was in each position?

Logical Buttons

What were the colors and labels of each button in each stage?

What were the final operators in each stage?

Logic Gates

What were the logic gates?

Lombax Cubes

What were the letters on the button?

London**Underground (The)**

What were the departure and destination stations?

Long Words

What was the word on the top display?

Mad Memory

What was on the display in each stage?

Mafia

Who was a player, but not the Godfather?

Magenta Cipher

What was on each screen?

Mahjong

What were the first two matched pairs?

What was the bottom-left tile?

Main Page

Which color and message did the bubble (not) display?

Which main page did Homestar, the background, or any of the buttons' effects come from?

Maritime Flags

What bearing was signaled?

What callsign was signaled?

Maritime Semaphore

Where was the dummy?

Which letters were signaled?

Maroon Button (The)

What was A?

Maroon Cipher

What was on each screen?

Mashematics

What were the numbers in the equation?

What was the answer?

What was on each screen?

Red Herring

What was the first color flashed?

Reformed Role Reversal

What did the solving condition state?
What were the final wires?

ReGret-B Filtering

Which calculations were used?

Regular Crazy Talk

What was the displayed digit that corresponded to the solution phrase?

What was the embellishment of the solution phrase?

Reordered Keys

What were the labels, their colors, and the colors of the keys initially in each stage?
Where was the pivot in each stage?

Retirement

Which houses were on offer, but not chosen by Bob?

Reverse Morse

What were the characters in each message?

Reverse Polish Notation

What characters were used in each round?

RGB Encryption

What were the Morse code and color sequences?

RGB Maze

Where were the exit and keys of the maze?

What was the maze number for each maze?

RGB Sequences

What were the colors of each button?

Rhythms

What was the color?

RNG Crystal

Where were the taps?

Robo-Scanner

Where was the empty cell?

Robot Programming

What were the shapes and colors of the robots?

Roger

What four-digit number was given?

Role Reversal

What was the condition digit that solved the module?

What colors were the internal wires?

RPS Judging

Which stages did each team win/lose/tie?

Rule (The)

What was the rule number?

Rule of Three

What were the positions of each sphere on each axis in each cycle?

Safety Square

What were the displayed digits?

What was the special rule?

Samsung (The)

Where was each app?

Saturn

Where was the goal?

Sbemail Songs

What were the displayed songs in each stage?

Scavenger Hunt

Which tile was correctly submitted in the first stage?
Where were the red, green, and blue tiles in the first stage?

Schlag den Bomb

What were the contestant's name and both scores?

Scramboozled Eggain

What were the encrypted words?

Scripting

What was the data type of the variable?

Scrutiny Squares

What was the modified property of the first displayed square?

Sea Shells

What were the phrases?

Semamorse

What were Morse and semaphore letters and color used for the starting value?

Sequencyclopedia (The)

What sequence was used?

S.E.T. Theory

What equations were displayed in each stage?

Shapes And Bombs

What was the initial letter?

Shape Shift

What was the initial shape?

Shifted Maze

What were the colors of the markers?

Shifting Maze

What was the seed?

Shogi Identification

What was the displayed piece?
