On the Subject of Souvenir

Something to remember your explosion by.

Souvenir asks questions about the state of other modules that you solved prior. Answer all the questions correctly.

If a module reset itself upon a strike, the question about it is assumed to refer only to successful runs or stages.

If the answers are audio clips, tap an answer once to hear the clip and tap it again to submit it as your answer.

[Question]	◯
[Answer 1] [Answer 3]	
[Answer 2] [Answer 4]	

Questions that may come up:

...?
What was the displayed number?

❖
What were the flashes?

↻↻
Which arrows were shown?

.--/---/..-.
What were the display words?

0
What was the starting number?

1000 Words
What were the words shown?

100 Levels of Defusal
What were the displayed letters?

1, 2, 3 Game (The)
What was the opponent's avatar and name?

1D Chess
What were your and Rustmate's moves?

21
What was the displayed number?

3D Maze
What were the markings?
What was the cardinal direction?

3D Tap Code
What was the received word?

3D Tunnels
What were the goal symbols?

3 LEDs
What was the initial state of the LEDs?

3N+1
What number was initially displayed?

4D Tunnels
What were the goal symbols?

64
What was the displayed number?

7
What were the LED colors for each stage?
What was each channel's initial value?

9-Ball
What were the numbers on each ball?

Abyss
What were the characters displayed?

Accumulation
What were the background and border colors on each stage?

Adventure Game
Which correct items did you use?
Which enemy were you fighting?

Affine Cycle
Which direction were the dials pointing?
What was written on each dial?

Alcoholic Rampage
Which mercenaries were displayed?

A Letter
What was the initially displayed letter?

Alfa-Bravo
What final letter was pressed?
What letters were to the left and right of the final one?
What was the last digit on the small display?

Algebra
What were the first two equations?

Algorithmia
What were the starting and goal positions?
What color was the bulb?
Which numbers were present in the seed?

Alphabetical Ruling
What were the letters and numbers displayed in each stage?

Alphabet Numbers
What were the numbers on the buttons in each stage?

Alphabet Tiles
What were the letters shown during each cycle?
What was the missing letter?

Alpha-Bits
What characters were displayed on each screen?

A Message
What was the received message?

Amusement Parks
Which rides were available?

Ángel Hernández
What letter was shown by the raised buttons in each stage?

Arena (The)
What was the maximum weapon damage of the attack phase?
What enemies were present in the defend phase?
What numbers were present in the grab phase?

Arithmelogic
What was the symbol on the submit button?
What were the numbers selectable on the screens?

ASCII Maze
What characters were displayed?

A Square
What were the index colors?
What were the submitted colors?

Audio Morse
What was the Morse code?

Azure Button (The)
What were T and the other displayed cards?
What was M?
What were the arrows?

Bakery
Which menu items were present?

Bamboozled Again
What were the initial labels and colors of each button?
What were the decrypted text and color of each displayed message?

Bamboozling Button
What color was the button in each stage?
What were the labels on the button in each stage?
What were the displays and their colors in each stage?

Bar Charts
What were the bars' heights, colors, and labels?
What was the category?
What was the unit?

Barcode Cipher
What was the screen number?
What was the edgework represented by each barcode?
What was the answer for each barcode?

Bartending
Which ingredient was in which position?

Beans
What color were the eaten beans?
Which beans were wobbling?

Bean Sprouts
What colors were the eaten sprouts?
Where were the eaten beans?

Big Bean
What color and wobbliness was the bean?

Big Circle
Which colors were in the solution?

Binary
What word was displayed?

Binary LEDs
At which numeric value did you cut the correct wire?

Binary Shift
What were the initial numbers?
What number was selected at each stage?

Bitmaps
How many pixels were black/white in each quadrant?

Black Cipher
What was on each screen?

Blindfolded Yahtzee
Which rolls did the module claim?

Blind Maze
What colors were the buttons?
Which maze did you solve the module on?

Blinking Notes
What song played?

Blinkstop
How many times did the LED flash?
Which color did the LED flash the least?

Blockbusters
What was the last letter pressed?

Blue Arrows
What were the characters on the screen?

Blue Button (The)
What were D, E, F, G, H, M, N, P, Q, and X?

Blue Cipher
What was on each screen?

Bob Barks
What were the indicator labels?
Which buttons flashed in sequence?

Boggle
Which letters were initially visible?

Bomb Diffusal
What was the license number?

Bone Apple Tea
What were the phrases?

Boob Tube
What were the words?

Book of Mario
Who said something in each stage?
What was each character's quote?

Boolean Wires
Which operators were submitted in each stage?

Boomtar the Great
What were the first and second rules?

Bordered Keys
What were the border color, displayed digit, key color, label and label color when you pressed each key?

Bottom Gear
What was the initially shown tweet?

Boxing
Which contestants and substitutes (first and last names) were shown?
Who had which punch strength rating?

Braille
Which Braille patterns were present?

Breakfast Egg
Which colors appeared on the egg?

Broken Buttons
What were the correct buttons you pressed?

Broken Guitar Chords
What was the displayed chord?
Which string was broken?

Brown Cipher
What was on each screen?

Brush Strokes
What was the color of the middle contact point?

Bulb (The)
Was the bulb initially lit?

Burger Alarm
What were the displayed digits?
What were the order numbers?

Burglar Alarm
What were the displayed digits?

Button (The)
What color did the light glow?

Buttonage
How many of each color and border color were there?
How many special buttons were there?
How many buttons had a P?

Button Sequence
How many times did each color occur?

Cacti's Conundrum
What colors was the LED?

Caesar Cycle
Which direction were the dials pointing?
What was written on each dial?

Caesar Psycho
What text and color were on the top display in each stage?

Caesar's Maths
What were the colors of each LED?

Calendar
What was the color of the LED?

CA-RPS
What were the starting colors?

Cartinese
What lyrics were played by each button?
What color was each button?

Catchphrase
What were the colours of the panels?

Challenge & Contact
What were the submitted answers?

Character Codes
What were the characters?

Character Shift
What were the characters on the sliders?

Character Slots
Who was displayed in each slot for each stage?

Cheap Checkout
What were the paid amounts?

Cheat Checkout
What was the cryptocurrency?
What was the site and hack method for each hack?

Cheep Checkout
Which birds were present?

Chess
What were the coordinates?

Chinese Counting
What colors were the LEDs?

Chinese Remainder Theorem
What were the equations?

Chord Qualities
What notes were in the given chord?

Code (The)
What was the displayed number?

Codenames
Which words were submitted?

Coffee Beans
What were the movements?

Coffeebucks
What was the last served coffee?

Coinage
Which coin was flipped?

Color Addition
What were the three numbers?

Color Braille
What color was each dot?

Color Decoding
What were the indicator patterns and colors in each stage?

Colored Keys
What was the displayed word and its color?
What were the colors and letters on each key?

Colored Squares
What was the first color group?

Colored Switches
What was the initial position of the switches?
What was the switches' position when the LEDs came on?

Color Morse
What were the colors of the LEDs?
What characters were flashed by the LEDs?

Color One Two
What colors were the LEDs?

Colors Maximization
How many buttons were there of each color?

Coloured Cubes
What were the colours of the cubes and stage lights in each stage?

Coloured Cylinder
What colours did the cylinder flash?

Colour Flash
What was the color of the last word in the sequence?

Concentration
What was the initial layout?

Conditional Buttons
What was the color of each button?

Connected Monitors
What numbers were initially displayed?
What colors were the indicators?

Connection Check
What number pairs were present?

Coordinates
What was the grid size?
What was the solution you selected first?

Coordination
What was the label and position of the starting coordinate?

Coral Cipher
What was on each screen?

Corners
What were the colors of the corners?

Cornflower Cipher
What was on each screen?

Cosmic
What was the number initially shown?

Crazy Hamburger
What were the displayed ingredients?

Crazy Maze
What were the starting and goal positions?

Cream Cipher
What was on each screen?

Creation
What were the weather conditions on each day?

Crimson Cipher
What was on each screen?

Critters
What was the alteration color?

Cruel Binary
What was the displayed word?

Cruel Keypads
What were the displayed symbols and what was the color of the bar in each stage?

cRule (The)
Which cells were prefilled at the start?
Which symbol pair appeared where?

Cryptic Cycle
Which direction were the dials pointing?
What was written on each dial?

Cryptic Keypad
What were the labels and cardinal directions of each key?

Cube (The)
What were the cube rotations?

Cursed Double-Oh
What was the first digit of the initial number?

Customer Identification
Which customers were displayed?

Cyan Button (The)
Where was the button at each stage?

DACH Maze
Which region did you depart from?

Deaf Alley
What was the shape generated?

Deck of Many Things (The)
What deck did the first card belong to?

Decolored Squares
What were the colors defining the starting row and column?

Decolour Flash
What were the words and colours of each goal?

Denial Displays
What was initially on the displays?

DetoNATO
What was the displayed word for each stage?

Devilish Eggs
What were the rotations?
What were the numbers and letters shown on the prism?

Dialtones
Which tones played?

Digisibility
What were the numbers on the buttons?

Digit String
What was the displayed digit string?

Dimension Disruption
What were the visible characters?

Directional Button
How many times did you press the button in each stage?

Discolored Squares
What was the remembered position for each color?

Disordered Keys
What were the missing information and the revealed/unrevealed key color, label, and label color of each key?

Divided Squares
What color was shown when the square was pressed?

Divisible Numbers
What were the numbers in each stage?

Doofenshmirtz Evil Inc.
What jingles played?
What images were shown?

Double Arrows
What was the starting position?
Which buttons moved in which directions in the grid?

Double Color
What was the screen color in each stage?

Double Digits
What were the numbers on the displays?

Double Expert
What was the starting key number?
What was the submitted word?

Double Listening
What sounds played?

Double-Oh
Which button was the submit button?

Double Screen
What colors were the screens on each stage?

Dr. Doctor
Which diseases and symptoms were listed?

Dreamcipher
What was the decrypted word?

Duck (The)
What was the color of the curtain?
How was the duck approached?

Dumb Waiters
Which players were present?

Earthbound
What was the background?
Which monster was shown?

eeB gnillepS
What word was asked to be spelled?

Eight
What was the last digit on the small display?
What was the position of the last broken digit?
What were the last resulting digits?
What was the last displayed number?

Elder Futhark
What were the runes shown?

Emoji
What were the emoji?

ƎNA Cipher
What were the keyword, the transposition key and the encrypted word?

Encrypted Dice
Which numbers were rolled in each stage?

Encrypted Equations
What were the main shapes of the three operands?

Encrypted Hangman
What was the encrypted module name and encryption method?

Encrypted Maze
Which symbol was spinning which way?

Encrypted Morse
What were the received call and sent response?

Encryption Bingo
What was the first encoding used?

English Entries
What was the displayed quote?

Enigma Cycle
Which direction were the dials pointing?
What was written on each dial?

Entry Number Four
What were the numbers shown?

Entry Number One
What were the numbers shown?

Épelle-moi Ça
What word was asked to be spelled?

Equations X
What was the displayed symbol?

Error Codes
What was the active error code?

Etterna
What beat was the input for each arrow?

Exoplanets
What were the starting and final target planet and digit?

Factoring Maze
What were the prime numbers used?

Factory Maze
What room did you start in?

Faerie Fires
What were the faeries' colors and pitches?

Fast Math
What was the last pair of letters?

Fast Playfair Cipher
What was the last displayed message?

Faulty Buttons
Which button did each button refer to?

Faulty RGB Maze
Where were the exit and keys of the maze?
What was the maze number for each maze?

Find the Date
What were the day, month, and year for each stage?

Five Letter Words
What were the displayed words?

FizzBuzz
What were the displayed numbers?

Flags
What were the country flags, the main flag, and the displayed number?

Flashing Arrows
What was the number shown on the display?
What were the relevant arrow's colors?

Flashing Lights
How many times did each LED flash each color?

Flavor Text
Which module's flavor text was presented?

Flavor Text EX
Which module's flavor text was presented in each stage?

Flyswatting
Which flies were present, but not in the solution?

Follow Me
What were the flashing directions?

Forest Cipher
What was on each screen?

Forget Any Color
What colors were the cylinders in each stage?
Which figure was used in each stage?

Forget Everything
What were the displayed digits in stage one?

Forget Me
What numbers were in which positions in the initial puzzle?

Forget Me Not
What were the displayed digits in each stage?

Forget Me Now
What were the displayed digits?

Forget Our Voices
What was said by whom each stage?

Forget's Ultimate Showdown
What was the initial number?
What was the bottom number?
What was the answer?
What were the encryption methods used?

Forget The Colors
What were the large display, gear and the sine number's last digit in each stage?
Which edgework-based rule was applied in each stage?

Forget This
What were the displayed digit and color in each stage?

Forget Us Not
Which module was solved for each stage?

Free Parking
What was the player token?

French Republican Calendar (The)
What was the color of the LED?

Functions
What was the last digit of the first query result?
What were the numbers and letter shown at the bottom?

Fuse Box (The)
What colors flashed?
What arrows were correct?

Gadgetron Vendor
What were the displayed weapons?

Game Of Life Cruel
Which color combinations occurred?

Gamepad (The)
What were the numbers?

Garfield Kart
What was the name of the track?
How many puzzle pieces were there?

Garnet Thief (The)
Which faction did each competitor claim to have chosen?

Ghost Movement
Where were Pac-Man and the ghosts?

Giants Cipher
What was the displayed keyword?

Girlfriend
What was the chosen language?

Glitched Button (The)
What was the cycling bit sequence?

Goofy's Game
What numbers were shown in Morse code?

Grand Piano
What were the given notes?

Gray Button (The)
What were the coordinates on the display?

Gray Cipher
What was on each screen?

Great Void (The)
What were the digits and colors?

Green Arrows
What was the last number on the display?

Green Button (The)
What was the submitted word?

Green Cipher
What was on each screen?

Gridlock
What was the starting color?
What were the starting and ending locations?

Grocery Store
What was the first item shown?

Gryphons
What were the gryphon's name and age?

Guess Who?
Which colors flashed "YES"?

Gyromaze
What were the LED colors?

h
What was the transmitted letter?

Halli Galli
Which fruit was there five of and in what counts?

Hereditary Base Notation
What was the number on the bottom display?

Hexabutton (The)
What label was printed on the button?

Hexamaze
What was the color of the pawn?

hexOrbits
What shapes were displayed?

hexOS
What were the deciphered letters or phrase?
What were the 3-digit numbers cycled by the screen?
What were the rhythm values?

Hickory Dickory Dock
What times were shown when the clock struck?

Hidden Colors
What was the main LED's color?

Hidden Value (The)
What numbers and colors were displayed?

High Score (The)
What was the player's position and score?

Hill Cycle
Which direction were the dials pointing?
What was written on each dial?

Hinges
What were the initially present hinges?

Hogwarts
Which House was each module solved for?

Hold Ups
What was the name of each shadow shown?

Holographic Memory
Which side did each symbol appear?

Homophones
What were the displayed phrases?

Horrible Memory
What were the positions, labels, and colors of the buttons pressed in each stage?

Human Resources
Which employees were hired and fired?
Which descriptors were shown in red and green?

Hunting
Which stages had the column or row symbol first?

Hypercube (The)
What were the rotations?

HyperForget
What were the rotations?

Hyperlink (The)
What was the hyperlink?
Which module was referenced?

Ice Cream
Who were the customers?
Which flavors were on offer to each customer?

Identification Crisis
What were the shapes and identification modules used?

Identity Parade
What were the hair colors, builds and attires listed on the module?

Impostor (The)
Which module was being imitated?

Indigo Cipher
What was on each screen?

Infinite Loop
What was the selected word?

Ingredients
Which ingredients were listed and which were used?

Inner Connections
What color was the LED?
What was the digit flashed in Morse?

Interpunct
What was the symbol displayed in each stage?

IPA
What was the played sound?

iPhone (The)
What was the PIN?

Jenga
What symbols were on the first correctly pulled block?

Jewel Vault (The)
What number were wheels A–D?

Jumble Cycle
Which direction were the dials pointing?
What was written on each dial?

Juxtacolored Squares
What was each square's color?

Kanji
What was the displayed word in each stage?

Kanye Encounter (The)
What food items were shown?

KayMazey Talk
What were the starting and goal words?

Keypad Combinations
What were the numbers, but not part of the answer?

Keypad Magnified
What was the position of the LED?

Keypad Maze
Where were the yellow cells?

Keypad Sequence
What symbols were on the keys?

Keywords
What were the letters on the display?

Klaxon (The)
What was the first module to set off the klaxon?

Know Your Way
Which way was the arrow pointing?
Which LED was green?

Kooky Keypad
What colors were the LEDs?

Kudosudoku
Which squares were initially pre-filled?

Kugelblitz
Which particles were present during each stage?
What were the particles' values during each stage?

Kuro
What was Kuro's mood?

Labyrinth (The)
Where were the portals, and which layers were they on?

Ladder Lottery
Which light was on?

Ladders
Which colors were present on the second ladder?
What color was missing on the third ladder?

Langton's Anteater
What was the initial state of the grid?

Lasers
What number was on each hatch?

LED Encryption
What were the correct button presses?

LED Grid
How many LEDs were unlit?

LED Math
What were the LED colors?

LEDs
What was the initial color of the changed LED?

LEGOs
What were the dimensions of each color piece?

Letter Math
What were the letters on the display?

Light Bulbs
What were the colors of the bulbs?

Lime Arrows
What was the starting coordinate?

Linq
What were the functions?

Lion's Share
Which year was displayed?
Which lions were present but removed?

Listening
What sound played?

Literal Maze
Which letter was in each position?

Logical Buttons
What were the colors and labels of each button in each stage?
What were the final operators in each stage?

Logic Gates
What were the logic gates?

Lombax Cubes
What were the letters on the button?

London Underground (The)
What were the departure and destination stations?

Long Words
What was the word on the top display?

Mad Memory
What was on the display in each stage?

Mafia
Who was a player, but not the Godfather?

Magenta Cipher
What was on each screen?

Mahjong
What were the first two matched pairs?
What was the bottom-left tile?

Main Page
Which color and message did the bubble (not) display?
Which main page did Homestar, the background, or any of the buttons' effects come from?

Maritime Flags
What bearing was signaled?
What callsign was signaled?

Maritime Semaphore
Where was the dummy?
Which letters were signaled?

Maroon Button (The)
What was A?

Maroon Cipher
What was on each screen?

Mashematics
What were the numbers in the equation?
What was the answer?

Master Tapes
Which song was played?

Match Refereeing
Which planets were present in each stage?

Math 'em
What were the color and design of each tile before the shuffle?

Matrix (The)
Which word was part of the latest access code?
What was the glitched word?

Maze
What was the starting position?

Maze³
What was the color of the starting face?

Maze Identification
What was the seed?
What function did each button have?

Mazematics
What were the initial and goal values?

Maze Scrambler
What was the starting position?
What was the goal position?
Which positions were the maze markings?

Mazeseeker
How many walls surrounded each cell?
What were the starting and goal positions?

Maze Swap
What were the starting and goal positions?

Mega Man 2
What were the robot master and weapon shown?

Melody Sequencer
Which part was in which slot at the start?

Memorable Buttons
What were the symbols on the correct buttons?

Memory
What was the display in each stage?
What were the positions and labels of the buttons you pressed?

Memory Wires
What were the wire colours?
What were the displayed digits?

Metamorse
What was the extracted letter?

Metapuzzle
What was the final answer?

Minsk Metro
What was the starting station?

Mirror
What was the second word written by the original ghost?

Missing Letter (The)
What letter was missing?

Mister Softee
Where was the SpongeBob Bar?
Which treats were present?

Mixometer
What was the position of the submit button?

M&Ms
What were the labels on the buttons and their colors?

M&Ns
What were the colors of the labels on the buttons?
What was the label of the correct button?

Modern Cipher
What were the decrypted words?

Module Listening
What sounds played?
What sounds did each button play?

Module Maneuvers
What was the goal location?

Module Maze
What was the starting icon?

Module Movements
What module was shown for each stage?

Money Game
What were the phrases?

Monsplode, Fight!
Which creature was displayed?
Which moves were selectable?

Monsplode Trading Cards
What were the names and print versions of the three cards in your hand and the card on offer before the final trade/keep?

Moon (The)
Which sets were initially lit/unlit?

More Code
What was the flashing word?

Morse-A-Maze
What were the starting and ending location?
What was the Morse code word played?

Morse Buttons
What were the characters and colors flashed by each button?

Morsematics
What were the received letters?

Morse War
What were the LEDs?
What code was transmitted?

Mouse in the Maze
What color was the torus?
Which color sphere was the goal?

M-Seq
What were the obtained digits?
What was the final number from the iteration process?

Mssngv Wls
What was the missing vowel?

Multicolored Switches
What were the colors of the LEDs in both cycles?

Multiverse Hotline (The)
What was the origin universe and its initial number?

Murder
Which were the suspects and weapons?
Where was the body found?

Mystery Module
Which module was hidden?
Which module was the first requested to be solved?

Mystic Square
What was the position of the skull?

Name Codes
What were the left and right indices?

Naming Conventions
What was the label of the first button?

Navigation Determination
What were the color and label of the maze?

Navinums
Which directional buttons were pressed?
What was the initial middle digit?

Navy Button (The)
Which Greek letters appeared?
What were the coordinates and value of the given?

Necronomicon (The)
What was the chapter number of each page?

Negativity
What was the submitted value (in base 10 and in balanced ternary)?

Neptune
Which star was displayed?

Neutralization
What was the acid's color/volume?

Next In Line
What color was the first wire?

Nim
How many matches were in each row?

N&Ms
What was the label of the correct button?

N&Ns
What were the labels in stage 2 and 3?
What were the colors in stage 3?

Noise Identification
What was the first displayed noise type?

Not Colored Squares
What position did you initially press?

Not Colored Switches
What was the encrypted word?

Not Colour Flash
What were the displayed word and colour sequences?

Not Connection Check
What were the flashing symbols?
What were the button values?

Not Coordinates
What were the vertices of the square?

Not Double-Oh
What were the displayed positions in the second stage?

Not Keypad
Which colours flashed in the final sequence?
Which symbols were on the buttons that flashed in the final sequence?

Not Maze
What was the starting distance?

Not Morse Code
What was the sequence of words you submitted?

Not Morsematics
What was the transmitted word?

Not Murder
What room were the suspects in initially?
What weapons did the suspects possess initially?

Not Number Pad
Which numbers flashed at each stage?

Not Password
What was the missing letter?

Not Perspective Pegs
What were the positions, perspectives, and colors of each flash?

Not Piano Keys
What were the displayed symbols?

Not Red Arrows
What was the starting number?

Not Simaze
Which maze was used?
What were the starting and goal positions?

Not Text Field
Which letter appeared 9 times at the start?
Which letters were pressed in the first stage?

Not The Bulb
What was the transmitted word?

Not the Button
What color did the light glow?

Not The Plunger Button
What colors did the background flash?

Not The Screw
What was the initial position?

Not Who's on First
What were the positions and labels of the correct buttons you pressed and the reference buttons?
What was the calculated number in the second stage?

Not Word Search
Which consonants were missing?
What was the first correctly pressed letter?

Not X01
What were the sector values?

Not X-Ray
What table were we in?
Which button went which direction?
What was the scanner color?

Numbered Buttons
Which numbers were correctly pressed?

Number Game (The)
What was the maximum number?

Numbers
What two-digit number was given?

Numpath
What was the number and its color?

Object Shows
What contestants were shown?

Octadecayotton (The)
What was the starting sphere?
What were the subtransformations in each transformation?

Odd One Out
What were the correct button presses?

Off Keys
What were the displayed runes?
Which keys played at an incorrect pitch?

Off-White Cipher
What was on each display?

Old AI
Which condition did the displayed numbers follow?

Old Fogey
What was the initial color of the status light?

One Links To All
What were the initially displayed articles?

Only Connect
What were the positions of the Egyptian hieroglyphs?

Orange Arrows
What were the first three arrows on the display in each stage?

Orange Cipher
What was on each screen?

Ordered Keys
What were the labels, their colors, and the colors of the keys in each stage?

Order Picking
What were the order ID, product ID and pallet for each order?

Orientation Cube
What was the observer's initial position?

Orientation Hypercube
What was the observer's initial position?
What was the initial colour of each face?

Painting Cube
What color was missing?

Palindromes
What number was X, Y, Z, and the screen display?

Papa's Pizzeria
What was the order code?

Parity
What was shown on the display?

Partial Derivatives
What were the terms of the function?
What were the LED colors in each stage?

Passport Control
What were the passport expiration years of each passenger?

Password Destroyer
What were the starting value, increase factor, TFA$_1$, TFA$_2$ and 2FAST™ values, and the percentage of solved modules used in the final calculation?

Pattern Cube
Which symbol was highlighted?

Pattern Recognition
What was the repeating pattern?

Pentabutton (The)
What was the base colour?

Periodic Words
What was the displayed word in each stage?

Perspective Pegs
What was the initial color sequence?

Phosphorescence
What were the button presses and the offset?

Pickup Identification
What pickups were shown?

Pictionary
What was the code?

Pie
What were the digits shown?

Pie Flash
What numbers were displayed?

Pigpen Cycle
Which direction were the dials pointing?
What was written on each dial?

Pink Button (The)
What were the displayed words and their colors?

Pinpoint
What were the given point coordinates and distances?

Pixel Cipher
What was the keyword?

Placeholder Talk
What was the entire first phrase?
What was the calculated value for second phrase?

Placement Roulette
What were the character, track, and vehicle listed?

Planets
What was the planet shown?
What was the correct color for each strip?

Playfair Cycle
Which direction were the dials pointing?
What was written on each dial?

Poetry
What were the answers you pressed in each stage?

Pointless Machines
What colors flashed?

Polygons
Which polygons were present?

Polyhedral Maze
What was the starting position?

Prime Encryption
What was the displayed number?

Prison Break
Where did the prisoner and defuser start?

Probing
What were the missing frequencies in each wire?

Procedural Maze
What was the initial seed?

Purple Arrows
What was the target word?

Purple Button (The)
What were the numbers in the cyclic sequence?

Puzzle Identification
What game did each puzzle come from?
What was the name and number of each puzzle?

Puzzling Hexabuttons
What letters were shown during submission?

Q & A
What questions were asked?

Quadrants
What were on the buttons at each stage?

Quantum Passwords
Which words were used?

Quantum Ternary Converter
What were the numbers?

Quaver
What was each sequence's answer?

Question Mark
What were the flashing symbols?

Quick Arithmetic
What were the digits and colors in both sequences?

Quintuples
What were the numbers and colors in every slot?
How many numbers were there of each color?

Quiplash
What number was shown?

Quiz Buzz
What was the number initially on the display?

Qwirkle
Which tiles did you place?

Raiding Temples
How many jewels were initially in the common pool?

Railway Cargo Loading
What were the coupled cars?
Which freight table rules applied?

Rainbow Arrows
What was the displayed number?

Recolored Switches
What were the LED colors?

Recursive Password
What were the incomplete words?
What was the password?

Red Arrows
What was the starting number?

Red Button't
What was the displayed word?

Red Cipher
What was on each screen?

Red Herring
What was the first color flashed?

Reformed Role Reversal
What did the solving condition state?
What were the final wires?

ReGret-B Filtering
Which calculations were used?

Regular Crazy Talk
What was the displayed digit that corresponded to the solution phrase?
What was the embellishment of the solution phrase?

Reordered Keys
What were the labels, their colors, and the colors of the keys initially in each stage?
Where was the pivot in each stage?

Retirement
Which houses were on offer, but not chosen by Bob?

Reverse Morse
What were the characters in each message?

Reverse Polish Notation
What characters were used in each round?

RGB Encryption
What were the Morse code and color sequences?

RGB Maze
Where were the exit and keys of the maze?
What was the maze number for each maze?

RGB Sequences
What were the colors of each button?

Rhythms
What was the color?

RNG Crystal
Where were the taps?

Robo-Scanner
Where was the empty cell?

Robot Programming
What were the shapes and colors of the robots?

Roger
What four-digit number was given?

Role Reversal
What was the condition digit that solved the module?
What colors were the internal wires?

RPS Judging
Which stages did each team win/lose/tie?

Rule (The)
What was the rule number?

Rule of Three
What were the positions of each sphere on each axis in each cycle?
What were the coordinates of the vertices?

Safety Square
What were the displayed digits?
What was the special rule?

Samsung (The)
Where was each app?

Saturn
Where was the goal?

Sbemail Songs
What were the displayed songs in each stage?

Scavenger Hunt
Which tile was correctly submitted in the first stage?
Where were the red, green, and blue tiles in the first stage?

Schlag den Bomb
What were the contestant's name and both scores?

Scramboozled Eggain
What were the encrypted words?

Scripting
What was the data type of the variable?

Scrutiny Squares
What was the modified property of the first displayed square?

Sea Shells
What were the phrases?

Semamorse
What were Morse and semaphore letters and color used for the starting value?

Sequencyclopedia (The)
What sequence was used?

S.E.T. Theory
What equations were displayed in each stage?

Shapes And Bombs
What was the initial letter?

Shape Shift
What was the initial shape?

Shifted Maze
What were the colors of the markers?

Shifting Maze
What was the seed?

Shogi Identification
What was the displayed piece?

Sign Language
What was the deciphered word?

Silly Slots
What were the slots in each stage?

Silo Authorization
What were the message type, encrypted message, and received authorization code?

Simon Said
What colors flashed in the final sequence?

Simon Samples
What were the call samples in each stage?

Simon Says
Which colors flashed in the final sequence?

Simon Scrambles
What was the flashing color sequence?

Simon Screams
What flashing color was used in each stage?
Which rules applied in which stage(s)?

Simon Selects
Which colors flashed in each stage?

Simon Sends
What were the red, green, and blue received letters?

Simon Serves
Who flashed in each course?
Which items were not served in each course?

Simon Shapes
What was the shape submitted at the end?

Simon Shouts
What letters flashed on each button?

Simon Shrieks
How many spaces clockwise from the arrow was each flash in the final sequence?

Simon Shuffles
Which buttons flashed at each stage?

Simon Signals
What were the colors, shapes and number of directions of each arrow?

Simon Simons
Which buttons flashed in each stage?

Simon Sings
Which keys' colors flashed in each stage?

Simon Smiles
What sounds did each button press play?

Simon Smothers
Which colors and directions flashed in each stage?

Simon Sounds
Which sample buttons sounded in each stage?

Simon Speaks
What were the relevant attributes of the flashing bubbles?

Simon's Star
Which colors flashed in each stage?

Simon Stacks
Which colors flashed in each stage?

Simon Stages
Which colors flashed in each stage?
What color was the indicator in each stage?

Simon States
Which color(s) flashed in the first three stages?

Simon Stops
Which colors flashed in the output sequence?

Simon Stores
Which colors flashed in the final sequence?
What were the numerical answers in each stage?

Simon Subdivides
What colors were the cells that subdivided?

Simon Supports
What were the 3 topics?

Simon Swizzles
Where were ON and OFF?
What was the hidden binary number?

Simply Simon
Which colors flashed in each stage?

Simultaneous Simons
Which colors flashed on each of the Simons?

Skewed Slots
What were the original numbers?

Skewers
What colors were the gems?

Skyrim
Which races, weapons, enemies, cities, and dragon shouts were selectable, but not the solution?

Slow Math
What was the last triplet of letters?

Small Circle
How much did the sequence shift by?
Which wedge made the different noise in the beginning?
Which colors were in the solution?

Small Talk
What were the display words?

Smash, Marry, Kill
What category was each module in?

Snooker
How many reds were there initially?

Snowflakes
What were the displayed snowflakes?

Sonic & Knuckles
Which monitor and badnik were shown?
What was the sound not featured in the chosen zone?

Sonic The Hedgehog
Which sound was played by each screen?
What were the pictures?

Sorting
Which positions were involved in the final swap?

Souvenir
What was the first module the other Souvenir asked a question about?

Space Traders
What was the maximum tax amount per vessel?

Spelling Bee
What word was asked to be spelled?

Sphere (The)
What were the flashed colors?

Splitting The Loot
Which bag was initially colored?

Spongebob Birthday Identification
What were the submitted names?

Stability
What were the lit LEDs' colors?
What was the identification number?

Stable Time Signatures
What time signatures played?

Stacked Sequences
What were the lengths of the sequences?

Stars
What was the digit in the center?

Starstruck
Which stars were shown?

State of Aggregation
What element was shown?

Stellar
What were the letters?

Stroop's Test
What was each submitted word/color?

Stupid Slots
What were the values of each arrow?

Subbly Jubbly
What were the replacement phrases?

Subscribe to Pewdiepie
How many subscribers do Pewdiepie and T-Series have?

Subway
Which bread did the customer ask for?
Which item was not asked for?

Sugar Skulls
What skulls were shown?

Suits and Colours
What were the colours and suits of each cell?

Superparsing
What was the displayed word?

SUSadmin
Which security protocols were installed?
What was the version number?

Switch (The)
What color were the LEDs?

Switches
What was the initial position of the switches?

Switching Maze
What was the seed?
What was the starting maze color?

Symbol Cycle
How many symbols were cycling on each screen?

Symbolic Coordinates
Which symbols were present on each stage?

Symbolic Tasha
What symbols were on the buttons?
Which buttons flashed?

Synapse Says
What number was displayed at each stage?
What positions were the colors in at each stage?
What colors flashed at each stage?

SYNC-125 [3]
What was displayed on the screen in each stage?

Synonyms
Which number was displayed?

Sysadmin
What error code did you fix?

TAC
Which cards were swapped?
Which cards were in your hand?

Tap Code
What was the received word?

Tasha Squeals
What were the flashed colors?

Tasque Managing
What was the starting position?

Tea Set (The)
In what order were the ingredients displayed?

Technical Keypad
What were the displayed digits?

Ten-Button Color Code
What were the buttons' initial colors in each stage?

Tenpins
What were the splits?

Tetriamonds
What was the pulsing colour sequence?

Text Field
What was the displayed letter?

Thinking Wires
Which was the first wire needing to be cut?
What color was the second valid wire to cut?
What was the display number?

Third Base
What were the display words?

Thirty Dollar Module
What sounds were played?

Tic Tac Toe
What was the initial state of the field?

Time Signatures
What time signatures played?

Timezone
What were the departure and destination city?

Tip Toe
Which squares were safe in rows 9 and 10?

Topsy Turvy
What was the word initially shown?

Touch Transmission
What was the transmitted word?
In what order was the Braille read?

Transmitted Morse
What were the received messages?

Triamonds
What was the pulsing colour sequence?

Tribal Council
What were the northeast and southwest names?

Triple Term
What were the passwords?

Turtle Robot
What were the commented out code lines?

Two Bits
What were the correct three query responses?

Twodoku
Where were the digits, symbols, and highlights?

UFO Satellites
Which numbers were present?

Ultimate Cipher
What was on each screen?

Ultimate Cycle
Which direction were the dials pointing?
What was written on each dial?

Ultracube (The)
What were the rotations?

UltraStores
What were the rotations?

Uncolored Squares
What were the colors used in the first stage?

Uncolored Switches
What was the initial switch state?
What were the LED colors?

Uncolour Flash
What were the initial "YES" and "NO" sequences?

Undertunneling
What was the position in the maze after completing the first phase?

Unfair Cipher
What were the received instructions?

Unfair's Cruel Revenge
What were the decrypted instructions?

Unfair's Revenge
What were the decrypted instructions?

Unicode
What were the submitted codes?

UNO!
What was the starting card?

Unordered Keys
What were the labels, their colors, and the colors of the keys in each stage?

Unown Cipher
What were the submitted letters?

Unpleasant Squares
What color was each square?

Updog
What was the displayed word?
What were the flashing colors?

USA Cycle
Which states were displayed?

USA Maze
Which state did you depart from?

V
Which words were shown?

Valves
What was the initial state?

Varicolored Squares
What was the initially pressed color?

Varicolour Flash
What were the words and colours of each goal?

Variety
What were the LED colors?
What was n for the colored knobs and bulbs?
What digits were displayed on the digit display?
What words were formable on the letter display?
What were the maximum values of the timers?

Vcrcs
What was the displayed word?

Vectors
What were the colors of the vectors?

Vexillology
What were the flagpole colors?

Violet Cipher
What was on each screen?

Visual Impairment
What were the desired colors?

Walking Cube
Which cells did the cube walk to?

Warning Signs
What was the displayed sign?

WASD
What was the displayed location?

Watching Paint Dry
How many brush strokes were there?

Wavetapping
What was the correct pattern in each stage?
What was the color in the first two stages?

Weakest Link (The)
Who was eliminated?
Who joined you in the Money Phase?
What were the other contestants' skills and correct answer ratios?

What's on Second
What were the display text and color in each stage?

White Arrows
What were the non-white arrows?

White Cipher
What was on each screen?

WhoOF
What was on the display in each stage?

Who's on First
What were the display words?

Who's on Gas
What was displayed in the first phase of each stage?

Who's On Morse
What word was transmitted in each stage?

Wire (The)
What were the colors of the dials?
What was the displayed number?

Wire Ordering
What were the colors and numbers on the displays?
What were the colors of the wires?

Wire Sequence
How many wires of each color were there?

Wolf, Goat, and Cabbage
Which creatures were present?
What size was the boat?

Word Count
What was the displayed number?

Working Title
What was the label shown?

Wumbo
What was the number?

Xenocryst (The)
What was the color of each flash?

XmORse Code
What were the displayed letters?
What word did you decrypt?

xobekuJ ehT
What song was played?

X-Ring
What symbols were scanned?

X-Rotor
Which symbols were scanned?

XY-Ray
What were the scanned shapes?

Yahtzee
What was the first roll?

Yellow Arrows
What was the starting row letter?

Yellow Button (The)
What were the colors?

Yellow Button't
What was the filename?

Yellow Cipher
What was on each screen?

Zero, Zero
What were the colors and number of points on each star?
Where were the colored squares?

Zoni
What were the deciphered words?
